

LAUNDRY DROPS WITH SOFTENER – Capri

PRODUCT DESCRIPTION:

Laundry-scenting essence with fragrance fixative and a refreshing marine and citrusy fragrance with amber notes.

HygienFresh Laundry Drops with Softener have a 2 in 1 professional formula that combines the intense fragrance of a laundry essence with the emollient properties of a softener. Their formula is enriched with fragrance fixative and contains active molecules that fix the perfume on fibres and release it in a controlled way for a long time.

A scent explosion and soft, fluffy clothes by using only a few ml of product!!!

- Thanks to its high concentration it ensures softness and perfume already with small doses.
- 2 in 1 professional formula: softener and laundry essence.
- Soft and fluffy clothes.
- Long-lasting scent thanks to the fragrance fixative.
- It absorbs and eliminates unpleasant odours.
- Compatible with all detergents.
- Up to 33 washes with a single bottle.

HOW TO USE:

Add 3 caps of product in the softener compartment (4/5 kg washing machine). Use it in the last rinse, with a limited water level. For an extra touch of perfume add 4 caps.

Thanks to special additives it ensures incomparable scent and softness. The amount of product in a bottle is enough for 33 treatments.

3 ml / Kg

15 ml (4/5 Kg)
= 5ml
